JORDAN SKUBE

Graphic Designer

SUMMARY

I am a May 2021 graduate from Binghamton University. I am eager to be able to apply my degrees in design and marketing and learn new skills. I am hoping to find employment in the field of editorial or web design, but I am open to whatever may present itself. I look forward to working with creative teams and clients to gain as much experience as possible and continue to develop myself as a creator.

EXPERIENCE

Pipe Dream Design Manager
Vestal, NY

Jan 2020 - May 2021
